Go to Step 7 if you are logging into an existing Citrix Account

# Complete steps 3 – 6 to create a Citrix Account

### 3. Click "Create account"

CITTIX Products Downloads Support Partners

## Create or request an account

If your company is already a Citrix customer, please contact your company administrator to add to your company's account.

#### Create an account

With a Citrix account, you can:

- Participate in community support and developer forums
- Manage your Citrix certifications
- Download trial software
- Watch Synergy Live webcasts

#### Request a Partner account

If your company is a Citrix partner, you can request that your company administrator add you as a contact in your company's account.

Use our search tool to find your company administrators and their contact information.

#### Find your company admin 🗹
